

Service & Technology Update

OIL ABSORBING SHEETS

» HOW TO PLACE AN ORDER

Please contact the JSA office or your local JSA technical service representative and provide the part number and quantity required from the table below.

Thank you for your interest in our products.

AVAILABLE UPON REQUEST

- **Gray Universal Sorbents** - includes tubes, rolls, sheets and hand towels - absorbs oils, solvents, coolants and water
- **Yellow Hazmat Sorbents** - includes tubes, rolls, sheets and pillows - absorbs chemicals and water based liquids
- **White Oil-Only Sorbents** - tubes, hand towels, wraps, pillows and granular material also available

Looking for an easy and inexpensive way to remove petroleum based oils from the surface of chemical process solutions? Oil-only absorbent sheets are hydrophobic (water repelling) so they will absorb oil on top of water and on the shop floor. Please contact your local JSA technical sales & service representative for more information on applications and product availability.

» Benefits & Applications

- Custom sheet and roll sizes available to accommodate unique applications
- Custom material weights available; light and medium weight sheets & rolls are available upon request
- Flexible and multipurpose product repels water and attracts oil even on top of process solutions
- Oil-only sheets keep floors around metal cutting and machining systems oil-free
- Highly effective for emergency spills and containment in any industrial facility

» Part Numbers & Prices

Part Number	Size (W x L)	Style	Case Quantity	Thickness - Heavy
OSS1212	12" X 12"	Sheet	100 per bale	\$40.00 / bale
OSS1618	16" X 18"	Sheet	100 per bale	\$50.00 / bale
